

Appropriate Body for Early Career Teacher Induction

2021 - 2022

Essex County Council is an experienced accredited Appropriate Body offering a completely independent service to oversee statutory Early Career Teacher Induction. Our highly responsive and knowledgeable team provide a supportive service to enable schools and academies to meet their statutory duties.

We will be working collaboratively with all Teaching School Hubs in our region, who are delivering the fully funded ECF programmes.

Our new offer for 2021 includes an extensive variety of free CPD opportunities including SEND.

Please view our [brochure](#) for information.

The support we will provide includes, but is not limited to:

- Updates to the TRA
- Induction sessions for ECTs and ECT Induction tutors
- Access to a user friendly ECT management system
- Monitoring of all progress reports and assessment reports
- Expert quality assurance of the induction process
- Extra support for vulnerable/struggling NQTs
