Secondary Programmes 2022/23

Secondary Teaching for Mastery

Would you like to find out more about Mastery in Secondary classrooms?

Venn Essex are delighted to offer three opportunities to join our Secondary Mastery Lead, to discuss the impact of Mastery for teachers, school departments and pupils learning. These 'Introduction to Mastery' online meetings are available for all staff to attend, by registering on the links below:

[Tuesday 10 May 2022](#) 3:30pm- 4:30pm

[Tuesday 21 June 2022](#) 3:30pm- 4:30pm

[Monday 4 July 2022](#) 3:30pm- 4:30pm

Non-Specialist Teachers

This Work Group would be ideal if you are teaching Maths, but would not consider it your specialism. The focus of the sessions will be the '6 core concepts':

- The Structure of the Number System

- Operating on Number
- Multiplicative Reasoning
- Sequences and Graphs
- Statistics and Probability
- Geometry

We are planning to deliver this over 6 days starting in the Summer Term.

The first 3 dates will be:

23 June 2022

1 July 2022

11 July 2022

The remaining three days will take place in the 2022/23 Autumn Term.

If this is of interest to you please apply [here](#).
